

Bradley

Ron Bradley 2016 Candidate Statement

Temecula is a first class city. During our early years, as Temecula's City Manager, I led the effort to bring jobs and increased shopping opportunities to our community. I initiated discussions with other agencies to pool dollars to solve existing traffic problems on our freeway ramps and Highway 79, a continuing priority. I refinanced eligible Community Facilities Districts with lower interest rates, reducing property tax burdens for many Temecula homeowners. I led the effort to acquire our first owned City Hall, and built a Fire Station, as well as our current public works yard -- all with no debt.

"Ron's reputation as a staunch fiscal conservative, champion of open and transparent government and his experience in the private and public sectors is well deserved. His knowledge of law enforcement and transportation issues is solid."

-Jeff Stone, State Senator and former Temecula Mayor & Councilman

I am considered a hands-on leader with good analytical and communications skills, and have the ability to reach out to all sides in a dispute and help reach consensus. I can disagree without being disagreeable and compromise when necessary to resolve issues.

I would appreciate your vote this November 8th.

Thank you.

R.B.

Temecula is a great city. To improve it, we must strengthen our economy, continue educational improvements, attract new industries and expand career opportunities within our community. These are my top priorities.

I enlisted in the U.S Navy in 1978 with the goals of promoting self-improvement, the value of honesty, integrity, ethics and love of country. While serving, I obtained dual Masters in Public Administration and Leadership and Management. I retired as a naval officer, established a non-profit organization, partnered with communities, and local organizations such as Boys & Girls Clubs, Rotary Clubs, Big Brothers Big Sisters, YMCA, local schools, churches and businesses, sharing mutual commitments to teach, lead, mentor, and provide local avenues for success for our youth. This resulted in 25+ scholarships over the past 2 years which demonstrated by working together, we can solve most issues and concerns.

I humbly ask for your support, allowing me the opportunity to serve on our City Council. Let us embrace the responsibility of providing an all-inclusive, safe, family first, education and opportunity based "shining city on a hill", for our children, for their future.

Vote for us on November 8th, 2016

Thank you

James Cooley

Frichner

I'm a businessman, educator and disabled-veteran who is uniquely qualified to serve the great City of Temecula. As a fiscal and constitutional conservative, I earnestly believe in lower taxes and eliminating superfluous regulation to ignite local small business growth, the primary job creation engine in America. I pledge my 15+ years of entrepreneurial experience building and running businesses to keep our best and brightest veterans and college graduates from leaving. Temecula residents frequently say their quality of life would be dramatically better if they didn't have to battle traffic everyday to and from San Diego, Orange County or Los Angeles. To keep them, we must provide comparable paying jobs in Temecula. I commit to using my deal-making skills to recruit companies and jobs, which will also help solve our massive freeway gridlock on I-15. As Education Director for Tutor Doctor of Temecula Valley my passion is educating and mentoring students to become winners in life. I've led by example by earning an MBA in 2015. I've been the public address announcer for varsity football and basketball at Rancho Christian School since inception and my wife of 28 years, four children, and I have been members of Rancho since 2004.

Garcia

I am Angel Garcia, a lifelong Temecula resident, UC Riverside graduate and small business owner. The challenges ahead require a hardworking homegrown leader to tackle these obstacles without raising taxes.

As your next councilmember, I will:

Eliminate Wasteful Spending. Oppose new taxes. — Temecula does not have a revenue problem. You should not be burdened with runaway spending habits.

Pensions have increased across the board with no regard for future financial liabilities. I will explore other fiscally sound retirement options for city employees.

Ensure City executive wages are based on performance.

Family First — Public Safety requires a comprehensive approach to negotiate contracted police and fire services with the County while exploring other partnerships. Family safety is my priority and promise to you.

Development/Traffic/Infrastructure — Local traffic and transportation improvements will be prioritized so Temeculans get home to their families safer and sooner.

The Interstate 15 local bypass project must be completed before even considering any more high-density development or proposed pet projects.

My commitment is to you.

Please visit www.JoinAngelGarcia.com or call me at (951) 223-6776.

On November 8th, please vote Angel Garcia for Temecula City Council.

McCracken

Your vote makes the difference. Within the last 27 years since incorporation, Temecula has earned and maintains the reputation as a safe city, with a thriving business climate, and the place where families flourish. Temecula's success did not just happen; it was initiated during incorporation, and will continue, with your support, through experienced leadership.

As your neighbor, former 10-year Temecula Community Services Commissioner, 24-year veteran, and Council Member since April 2015, I am proud of our accomplishments.

Hand-selected to fill the vacant Council Member seat, from a 24-candidate pool, selection based on historical track record as a Commissioner and previous military service: Do not stop thinking about tomorrow when commitment and leadership matters the most.

Common goals:

Safeguarding public safety, fiscal responsibility, and family-oriented programs.

Advocate for military, youth, special needs, and senior communities, to streamline inclusion and mainstream flawlessly in our community.

Partner with colleges/universities to deliver educational opportunities for high school and adult learners.

Vote Michael McCracken, a veteran who cares, has served our country, and now ready to serve you:
The Right Person, At the Right Time, For the Right Reason. We have more to do!

Naggar

Temecula is a wonderful place to live. We all have reason to be proud! Our city has a balanced budget; no service cuts; a new CalState campus, a hospital generating 1,500 new jobs; a \$650 million tourism industry supporting over 7000 jobs; \$106 million in new road improvements coming; new S-79 interchange starting soon; 40 pristine parks; and a thriving downtown where over \$100 million in private capital has been recently invested.

Temecula is the 20th safest city nationwide! It's paving the way regionally in helping "special needs" families and the disabled; we have cut taxes for thousands of homeowners; preserving open space, and vigorously expanding bike lanes and trails. All these years, I've poured my heart and soul into the above, and more.

I pledge to keep Temecula a "Family First" community and will never forget that I serve YOU. I'm truly honored to have won your trust these past years.

The Temecula we are proud of is not an "accident" and didn't just "happen". It's a product of dedication, and painstaking planning of many. We must continue to preserve what we have, while endeavoring to continually improve. I would be honored to have your trust and your vote.

Ruiz

My promise to you!

Public Safety: "As your next Councilman, my number one priority is public safety! I will work to ensure that Temecula has a sufficient number of public safety personnel on the ground, and that it is fully funded and supported! As a strong 2nd Amendment supporter, I will fight to preserve our rights and encourage the Sheriff to streamline carry concealed weapons permits.

Traffic: "My goal is to improve our heavy road congestion by implementing effective signal coordination within the City limits. This will be best accomplished while partnering with Murrieta for better traffic flow. Other successful measures will include controlled devices, on-ramp meters, and restriping existing roads for additional lanes."

Economic Development: "I am passionate about and committed to cultivating the next generation of entrepreneurs. I support businesses of all shapes and sizes. I will encourage the growth of our healthcare industry, while enhancing tourism and maintaining affordable housing in Temecula."

"I am happy to see my friend, Adam running for Temecula City Council. He is enthusiastic and dedicated to ensuring quality of life while maintaining the integrity of our community."

- Joan Sparkman

I am a fiscal conservative, pro 2nd Amendment and private property rights advocate!

Stewart

I've been a resident of Temecula for 25 years. Being semi-retired has awarded me quality time with my wife of 36 years and our 6 beautiful grandchildren.

I've owned and operated Stews Barbershops for 33 successful years. For the past 12 years, I have volunteered my time serving both locally and globally as a Rotarian. I mentor students at Great Oak High School through the Interact Club, a division of Rotary International. I've been an active member of Sunridge Community Church for 23 years.

I have served on the Board of Directors for the Rancho California Water District as Executive Vice President. While at RCWD, I was instrumental in persuading the Board to approve a project, saving the district more than 20 million dollars and I have confidently worked with labor contracts and budgets equal in size to that of the City of Temecula.

I believe I will be an asset and will serve our community well with a "fresh pair of eyes" as a member of the Temecula City Council.

M. Stew

Tempe

My name is Skylar Tempel, I've been a resident of the great City of Temecula for 18 years now and I couldn't be prouder to call this city home. I am a graduate of Temecula Valley High School and was honored to have the opportunity to address my graduating class. Our city has come a long way and there is still much to be done. If elected to serve the citizens of Temecula my goals will include the following:

- The introduction of term limits for the City Council
- Monthly community meetings held in the actual communities around Temecula
- A long term goal of attracting a University to set up here in Temecula
- Improvement of roadways and infrastructure before catering to more housing
- Create a master plan for "New Town" the youth friendly Old Town

The City Council must always serve the interests of all Citizens of all ages. I humbly ask for your vote on November 8th, 2016.

Feel free to email me at tempelfortemecula@gmail.com or send me a text at (951)395-9519.
